

Community Relations Committee Charter August 9, 2016

NERCOMP Board members have approved the following charter documenting the Community Relations Committee procedures and expectations for its work.

Committee Charge:

The Community Relations committee will define membership constituencies, engage in an on-going identification and assessment of their needs, broadly share information about the benefits of NERCOMP, and encourage greater involvement across all levels of membership.

Leadership Appointment:

Each year, the NERCOMP Board will appoint Committee Chairs, typically from Board membership. Subcommittee (Working Group) Chairs may be either Board or non-Board members. (NOTE: Per Bylaws, Chairs of Board Committees, e.g. Governance, Finance and Executive, must be Trustees).

Committee Members' Role:

Committee members will be responsible for developing strategies to increase member engagement and communicate effectively with members. NERCOMP staff members who are assigned to each committee will be considered active members of the committee in addition to providing administrative support as necessary.

Membership, Selection and Term Length:

- *Membership:* The Community Relations Committee shall consist of no less than **2 Board members** plus an additional number appointed from outside Board membership, as needed up to a **maximum of 10 members**. *A staff member(s) will be assigned to each committee and their roles will be defined by each charter.*
- Membership reflects the diversity of NERCOMP member institutions and represents a cross-section of the key constituencies involved in the use of information resources in higher education (i.e. Academic Technology, Libraries, Networks or Systems, User Support, Administrative Computing, Research Technology, Faculty, Higher Education Administration, and so on).
- *Selection:* Board members make committee commitments in April after the election of Officers. Potential non-Board members are appointed by the Community Relations Committee Chair, as needed, by July or as needed.
- *Term Length:* Members are expected to serve a one-year term at a minimum. Appointments are renewable at the discretion of the Community Relations Committee Chair for up to two additional years. Ideally, after three consecutive years, members rotate off the Committee for a period of at least one year before beginning a new term of service. At the end of each Committee member's service s/he will receive a letter of appreciation from the NERCOMP Board Chair.

Meetings:

Each committee meets as determined by the Community Relations Committee Chair and membership, no fewer than four times per year.

Decision-making and Procedural Details:

In accordance with NERCOMP's Bylaws, one-half of the total Committee membership shall constitute a quorum and the vote of a majority of the Committee members present at any meeting at which there is a quorum shall constitute an act of the Committee.

Responsibilities of Members:

Members of the Community Relations Committee are expected to participate actively in all activities of the committee. Attendance and assistance at the Annual Conference are also encouraged. Additionally, they are expected to serve as representatives and advocates of NERCOMP at the annual Institutional Representative (IR) gathering and in general. As these activities represent a significant time and financial commitment, potential members are asked to carefully consider their involvement prior to joining the Community Relations Committee, including discussing their involvement with their supervisors. Members failing to meet these responsibilities may be removed at the discretion of the Committee Chair.

Reporting:

Based on the work of the committee, the Committee Chair will provide regular feedback to the Board at least four times per year. In accordance with NERCOMP's Bylaws, the Community Relations Committee will provide a record of each meeting to the Board, as well as make other reports as requested by the Board.
