Microsoft

Get Office  
free from  
your school.

We're giving our students a complete version  
of the latest Microsoft Office.

Hello,

In order to continue helping your students succeed this school year, Microsoft is providing Office to every student free of charge. This means the latest version of the full Office productivity suite, including Word, Excel, PowerPoint, OneNote, and more available for offline and online use to best prepare your students for class. As long as they're a student, they'll be able to use this software for free.

- Install on up to 5 compatible PCs and Macs, plus 5 tablets (including iPad!)
- Use with OneDrive for automatic device syncing
- Gain valuable skills on the world's most popular productivity software
- Office subscription lasts for as long as your child is a student at the school

[Each student can follow these simple steps to gain access to their free Microsoft Office.](#)
