Honorlock Accessibility Statement

The Honorlock interfaces for administrators, instructors, and end-users are fully ADA accessible and compliant with Section 508 of the Americans with Disabilities Act. Honorlock has also been developed and tested to conform to WCAG 2.0 level AA guidelines for accessible use. Conformance to accessibility guidelines is part of our development process as our development team uses leading-edge accessibility testing tools throughout the development of our proctoring services and we are always looking for better ways to help the disadvantaged have a fair and objective testing experience. All information including details and disclosures have been specified in our VPAT.
