

## Frequently Asked Questions

### What are CULTIVATE Reference Meetings?

Collaborative Solutions hosts one-on-one reference meetings each year between Workday/Collaborative customers and prospective customers interested in learning more about Workday. This year we are moving to a virtual format, where the meetings will be hosted over our meeting platform from the comfort of your own space!

### What's in it for me?

These one-on-one meetings give you the opportunity to:

- Learn from other companies who are live on Workday
- Ask questions about their experience with Workday and their deployment partner
- Get a better sense of what to expect during your Workday deployment

### What's the time commitment?

CULTIVATE Reference Meetings will be hosted Tuesday, October 13 - Thursday, October 15. Your Collaborative or Workday rep will work with your schedule and align you with a valued customer within the following times:

- **Tuesday, Oct. 13th:** 7:00am - 7:00pm
- **Wednesday, Oct. 14th:** 7:00am - 7:00pm
- **Thursday, Oct. 15th:** 7:00am – 7:00pm

Note: All times are listed in **EST**, but your time zone will modify when the meeting invite is sent out.

### What if I have other questions?

Aside from working with your Collaborative Solutions Sales rep, feel free to reach out to Lauren Moss.
